11th ANNUAL GOLF TOURNAMENT

Frontenac's 11th Annual Golf Tournament was held on July 10, 2017 at Royal Ashburn Golf Club. Total fundraising profit was \$18,350. A note of appreciation goes to the volunteers who helped out on the day of the tournament and to Chris Wellwood and Scott Morgan for all their efforts in organizing this event, gathering prizes and making the day another great success for Frontenac.

Thank you to all participants. Your support allows us to expand programming for our youth providing sports memberships, monies for community groups, trips for youth in residence, and a continuation of our therapeutic riding program.

MENTAL HEALTH WEEK BBQ

Frontenac held its Annual Mental Health Week BBQ on May 3. An Art Exhibition was on display submitted by Frontenac clients to highlight "What Does Mental Health Mean to You?"

WATERSDOWN SENSORY ROOM

At the end of March, The Ministry of Child and Youth Services generously provided \$3000.00 to Watersdown Residence to create a sensory room. The sensory room was designed to contain a range of items to provide stimuli and engage the youth's senses. It supports the youth with developmental disabilities and sensory impairments. This room is crucial for the youth in developing higher self-esteem and allowing them to learn different ways to calm themselves in a safe environment. The sensory room is a unique room that can be individualized for each client. The sensory room has been a welcoming addition to the residence and has enhanced our ability to deliver high quality treatment to our clients.

CLIENT'S COMMENTS

These comments are collected as part of the client surveys which take place after all services are finished at the agency.
